ANNUAL REPORT 2023

ABOUT THE COVER

Uswag in the Visayan language is flexibly translated to 'growth' or 'advancement'. This word mirrors the Department's exceptional performance and strengthened resolve throughout the year 2023.

Every office, division, and member of the Department of the Interior and Local Government - 10 community have been tirelessly steering through calm and rough waters, and rising magnificently to the challenge of upholding excellence in local governance.

Taking a second glance at the year, we built and intensified upon the journey we started in the previous years, which propelled us upward. Words imprinted in the succeeding pages reflect how we are driven by our mission and ambition that ultimately results in stability, growth, and prosperity for the region.

As we stand on the threshold of a new beginning, we will continue to move forward and upward, together. For this reason and much more, we proudly present to you the accomplishments of the Matitino, Mahuhusay, at Maaasahang mga kawani of DILG Region 10 in the year 2023.

Message from the REGIONAL DIRECTOR

USWAG.

This word captures the progress we have made in the Department of the Interior and Local Government. *Uswag* speaks of momentum, of moving forward, of breaking barriers to reach new heights of excellence in local governance and community empowerment.

This past year has filled me with immense hope and optimism for the future of the Department. I have seen first hand the passion, collaboration, and Bayanihan spirit that is driving our march toward development. Our journey of *Uswag* continues, and the momentum is palpable.

We have empowered LGUs through numerous capacity building activities to implement best practices in financial management, disaster preparedness, and project implementation. Our significant milestone in the Seal of Good Local Governance (SGLG) is a noteworthy accomplishment of our commitment to excellence.

Despite facing numerous challenges, we persevered and remained steadfastly committed. Therefore, I want to express my gratitude to all of you who have worked tirelessly, day and night, even 24/7 when possible, to provide premium service to our clients. Whether it was operationalizing the BIDA program, leading peace and

order-related engagements, or providing capacity and technical assistance to LGUs, especially our newly elected barangay officials.

But *Uswag* is not about grand visions alone. It happens through small, everyday acts of integrity, hard work, and compassion. It happens when we resolve to be stewards of positive change wherever we are planted.

Uswag is about collaboration. It is heartening to see partnerships strengthening between people's organizations, the private sector, institutions, and different government agencies with LGUs to uplift communities. But *Uswag* has only just begun. Significant challenges remain for LGUs to improve their performance and service delivery.

This annual report highlights our accomplishments, opportunities, and most importantly - the stories of positive change made possible through collective effort. As you read through, I hope you will be as inspired as I am by what we can achieve when we come together for the greater good. This is just the beginning. With steadfast collaboration, I am confident our Department's best chapters are still to be written. Let us turn the page and continue walking in solidarity toward a more just, equitable, and progressive society for all.

YVETTE TOLENTINO SUNGA, CESO V
Assistant Regional Director

Message from the **ASSISTANT REGIONAL DIRECTOR**

The beginning of a new year always provides us with an excellent vantage point for looking over the triumphs and challenges of the past and, at the same time, for looking forward to what the future has in store for our office. The year 2023 was a year of intensified commitment, hard work, and sacrifice on the part of our people— intensified so that the coming year, as well as others to follow, might be more fruitful than the last one.

As we reflect on our humble beginnings and a year of great work, we rediscover that each transition and each step forward into the frontiers of advancing good local governance were actually critical pieces that have strengthened the Department today. Hence, we take pride in presenting the 2023 Annual Report, showcasing the notable milestones and achievements of our programs and services across many facets of our communities in the Region.

With our “Matino, Mahusay, at Maasahan” shared values at the forefront, we are eager to reach new heights of excellence as we face another year. In so doing, we will continue to preserve and reinforce the Department we hold dear; not just for ourselves, but for the greater good, and for those to come after us. At the end of the day, we are a mission-driven community that puts people first, and as long as our vision keeps us united in our pursuit of progress and development, we will again emerge and thrive this year.

The DILG Region 10 faced numerous challenges in FY 2023 but managed to achieve an impressive completion rate of 99.65%, a combination of physical and financial accomplishments—2.82% higher than the previous year. This humble accomplishment was made possible by the dedication and commitment of the men and women of DILG 10.

The highlights of this year's Programs, Projects, and Activities include the following:

As the lead agency in promoting good governance, we intensified our efforts in sustaining the implementation of the Seal of Good Local Governance (SGLG), Full Disclosure Program (FDP), Citizen Satisfaction Index System (CSIS), Lupon Tagapamapayapa Incentive Awards (LTIA), including the Bantay Korapsyon Program. Region 10 attained a noteworthy 9% increase in SGLG qualifiers, showcasing our commitment to excellence and continuous improvement.

The office continued to aggressively monitor LGU development projects and assist clients in fast-tracking the completion thereof. This was done through technical assistance on the management and operations of these projects through the Monitoring and Evaluation over Local Government Units (LGU) Program of the Office in collaboration with partnered agencies. The goal was to ensure that the projects were completed on time and within budget.

EXECUTIVE SUMMARY

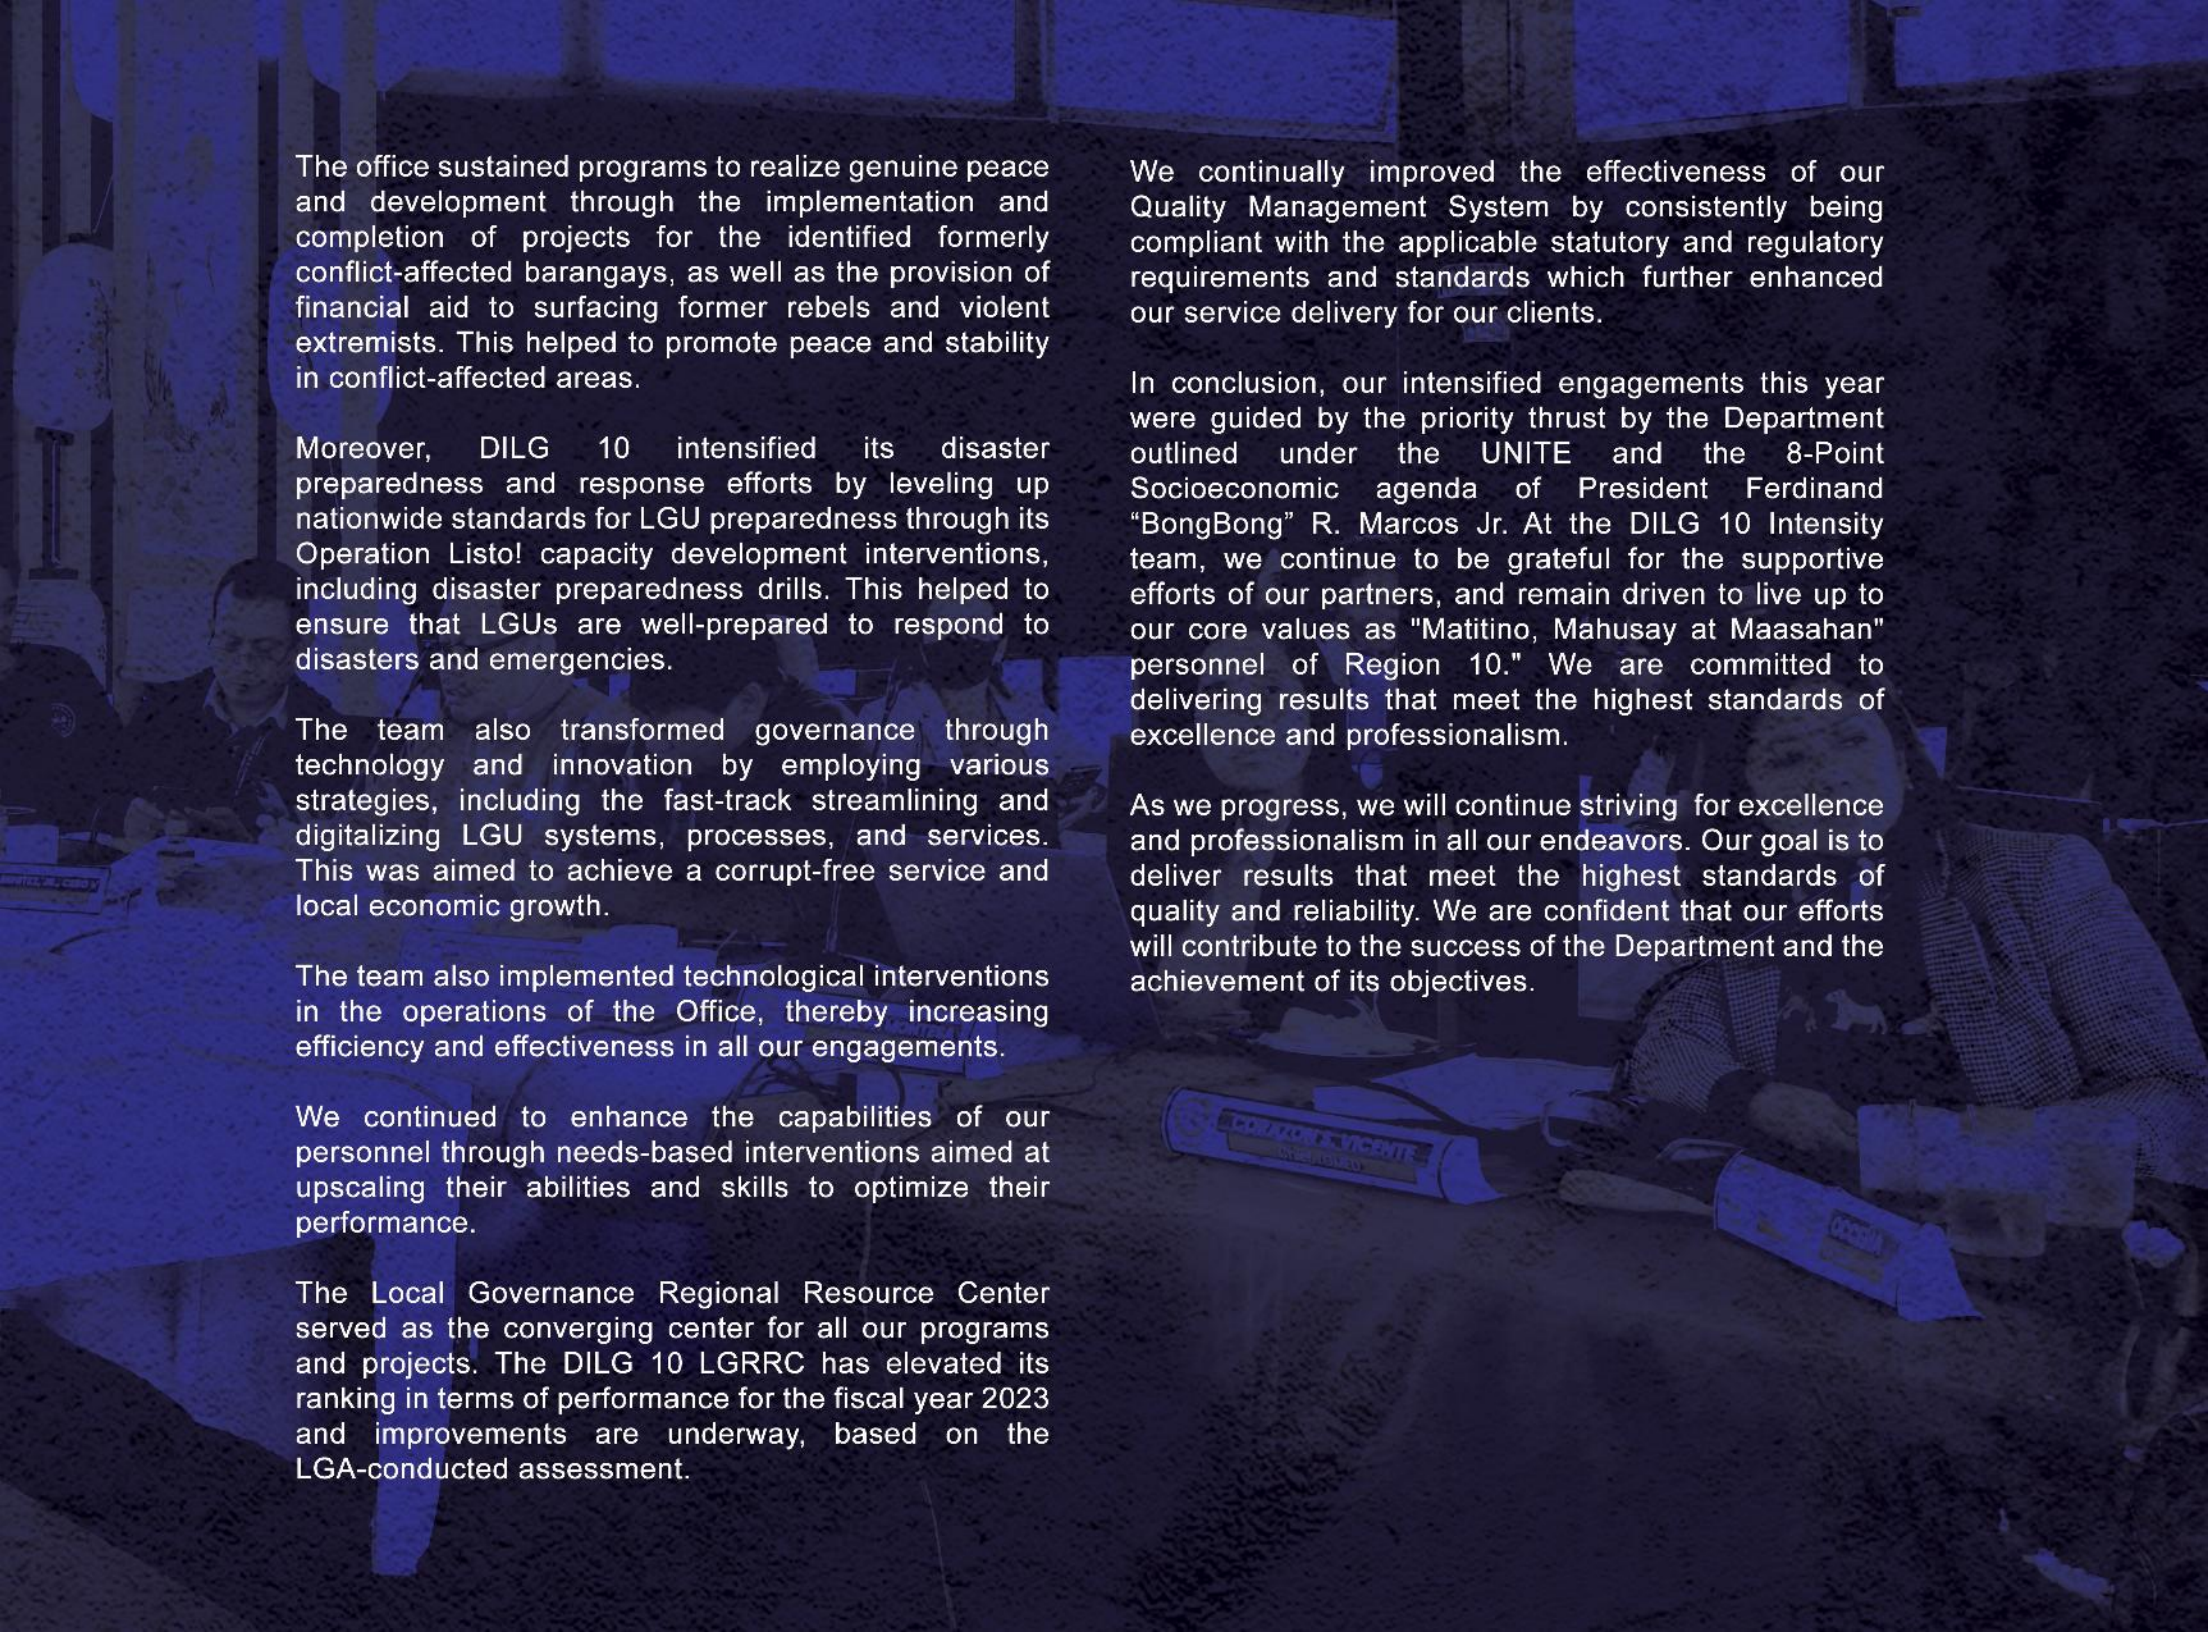

The team also raised citizen participation in local governance by diving into Open Government engagement-related activities, such as hosting Dagyaw and OGPinas, all aimed to deepen the relationship between the sovereign and the government—improving transparency and accountability.

Moreover, as the DILG 10 continued to strengthen its coordination and collaboration with the stakeholders, we forged partnerships with NGAs, LGUs, the academe, the private sector, and civil society organizations to advance good governance, peace and order, public safety, and other areas that need their participation.

The office collaborated with PCW and other agencies in promoting gender-responsive governance. DILG Region 10's unwavering efforts to promote gender-responsive governance have been rightfully recognized by the award of the GAD seal, which is a testament to the Office's dedication to creating a more inclusive society.

The team further strengthened capacity-building engagements with youth organizations, Sangguniang Kabataan councils, and newly elected barangay officials in the Barangays.

DILG 10 aggressively implemented SILG Abalos' Buhay Ingatan, Droga'y Ayawan (BIDA) program with the help of LGUs. This nationwide collaboration aimed to rigorously take down the use and distribution of illegal drugs, going hand-in-hand with the different law enforcement operations and agencies. By diverting the attention of both the old and the young age groups to healthy physical activities, the Office has successfully promoted the initiatives under the BIDA program.

The office sustained programs to realize genuine peace and development through the implementation and completion of projects for the identified formerly conflict-affected barangays, as well as the provision of financial aid to surfacing former rebels and violent extremists. This helped to promote peace and stability in conflict-affected areas.

Moreover, DILG 10 intensified its disaster preparedness and response efforts by leveling up nationwide standards for LGU preparedness through its Operation Listo! capacity development interventions, including disaster preparedness drills. This helped to ensure that LGUs are well-prepared to respond to disasters and emergencies.

The team also transformed governance through technology and innovation by employing various strategies, including the fast-track streamlining and digitalizing LGU systems, processes, and services. This was aimed to achieve a corrupt-free service and local economic growth.

The team also implemented technological interventions in the operations of the Office, thereby increasing efficiency and effectiveness in all our engagements.

We continued to enhance the capabilities of our personnel through needs-based interventions aimed at upscaling their abilities and skills to optimize their performance.

The Local Governance Regional Resource Center served as the converging center for all our programs and projects. The DILG 10 LGRRC has elevated its ranking in terms of performance for the fiscal year 2023 and improvements are underway, based on the LGA-conducted assessment.

We continually improved the effectiveness of our Quality Management System by consistently being compliant with the applicable statutory and regulatory requirements and standards which further enhanced our service delivery for our clients.

In conclusion, our intensified engagements this year were guided by the priority thrust by the Department outlined under the UNITE and the 8-Point Socioeconomic agenda of President Ferdinand “BongBong” R. Marcos Jr. At the DILG 10 Intensity team, we continue to be grateful for the supportive efforts of our partners, and remain driven to live up to our core values as “Matitino, Mahusay at Maasahan” personnel of Region 10.” We are committed to delivering results that meet the highest standards of excellence and professionalism.

As we progress, we will continue striving for excellence and professionalism in all our endeavors. Our goal is to deliver results that meet the highest standards of quality and reliability. We are confident that our efforts will contribute to the success of the Department and the achievement of its objectives.

Dagyaw Town Hall Meeting

2,500 online and
onsite
PARTICIPANTS

This year's Dagyaw calls for inclusivity and accessibility of government services, especially to the sector of Persons with Disabilities (PWDs) in Northern Mindanao.

The event provided a platform for an open dialogue on mental health and suicide prevention with participants coming from the youth, PWD, CSO, government sectors.

As the National Government continues to promote people's participation in fostering a culture of open governance, the DBM, DILG, and PIA kicked off its OGPinas Mindanao leg last November 15 at the Mallberry Suites, Cagayan de Oro City.

OGPinas is an advocacy campaign that aims to raise awareness of the Philippine Open Governance Partnership (PH-OGP), provide avenues and channels of communication for government-civil society partnerships; and ultimately, strengthen public participation in policy-making and governance in the country.

"As Secretary Abalos always emphasizes, the DILG all remain committed to continuing, strengthening, and supporting the PH-OGP advocacies and activities and be an eager partner in localizing PH-OGP"

OUTCOME 2

PEACEFUL, ORDERLY, AND SAFE LGUs

DILG 10 places great emphasis on fostering peaceful, orderly, and safe LGUs through the implementation of Buha'y Ingatan Droga'y Ayawan (BIDA) Program, strengthening of Peace and Order Council and ECLIP, C4PEACE, among others. In the region, partnerships with constitutions and community engagement were strengthened which signified a shift towards a more comprehensive and pro-life approach to address the root causes of illegal drug use while engaging communities, schools, and families in the fight against drug abuse.

WAYS FORWARD FOR FY 2024

FY 2024 will be the first full year of implementation of the Strategic Plan of the Department. Part of the preliminary activity of the year is the conduct and cascading of the Strategic Plan 2024-2028, which will be spearheaded by the Planning Service, involving all the Regional and Provincial Field Offices and its attached agencies. Further, DILG 10 will continue to implement the programs and projects responding to the President's call to support his eight (8) point socio-economic agenda. DILG 10 will also be guided with the priority thrust of the Department outlined in the UNITE Agenda.

Given its mandate in ensuring Peace and Development in the communities amid various challenges, the Department also remains a crucial partner in realizing the government's desired transformation for the country. Thus, as a reliable and highly trusted Department, our office will continue to strengthen our organizational capacity in order to achieve our collective aspirations for our client by upholding excellence among local governments, sustaining peace and security, and public safety, strengthening community disaster resiliency and facilitating inclusive governance through the collaborative efforts of our DILG community and partner stakeholders.
